

# MSMPER200

## Work in Accordance with an Issued Permit (Half-Day Course)

The Work in Accordance with an Issued Permit program provides information and guided practice that will enable both experienced workers and new workers with the skills necessary to demonstrate competence to the minimum national certification standards that meet MSMPER200 Unit of Competency and to lay the foundation skills that they can improve their skills and proficiency whilst undertaking routine tasks in situations that require permit governance.

### LEARNING MODULES:

- Conduct Risk Assessments.
- Identification of Hazards and Risks.
- How to control and work with hazard mitigation protocols.
- Basic communication methods.
- Reporting obligations.
- Documentation of actions or inactions.
- Legal responsibilities.

At the successful completion of this course, Candidate will receive the Statement of Attainment and a wallet-size card\* inclusive of the Nationally Accredited course information, student name and course attended date.

(\* Raines Resources will issue an SOA and card after full payment is received)

## Work in Accordance with an Issued Permit (Half-Day Course)

### TRAINING DETAILS:

- Course Times:** Online with a practical face to face component is subject to change with the candidate having the ability to finalise their training at our premises. Theory online 1-2 hours, practical 1 hour. Face to Face delivery at our offices allow 4 hours, delivery times and dates subject to class numbers. The CPR course has a companion course (LVR) run at the same time. Both courses will take 8-9 hours combined. Start time at our office is 07:00 to 17:00 (CPR alone completion at 12 noon)
- Age Requirements:** All learners must be at least 15 years of age.
- Literacy and Numeracy:** Participants must have a basic level of English proficiency (written and verbal communication) and the knowledge of how to use a calculator.
- Digital Literacy:** Online learners will require access to a computer with an internet connection and the knowledge to access emails, login to the online training portal, upload documents when required and submit assessments. In some instances, in modern mining and construction settings you may be required to enter/log information into an electronic record keeping device. Or use computerised equipment to operate various types of machinery and processes
- Delivery:** Face to Face training and assessment in a simulated workplace environment.
- Payment Method:** Cash, credit card, direct funds transfer with a bank receipt, or a company purchase order (refer to our finance policy for further details).
- What to bring:** 1 Photo ID and 1 Secondary ID, Current WorkSafe Licence Card (if any) (e.g. Driver's Licence, Passport (current or expired being no more than 2 years from the expiry date), WA proof of age card or other Australian Government issued ID card with photo) AND (e.g. Medicare Card, telephone, gas, or electricity account not more than 12 months old).
- Clothing:** Long sleeve shirt, long pants and safety boots, gloves, safety glasses, hart hat for F2F training.
