

UETDRMP007 / HLTAID009 Combined LVR and CPR (1 Day Course)

The Low Voltage Rescue and Provide Cardiopulmonary Resuscitation certification programs provide information and guided practice that will enable both experienced first aiders and new first aiders with the skills necessary to demonstrate competence to the minimum national certification standards that meet both UETDRMP007 and HLTAID009 Unit of Competencies and to lay the foundation skills of new operators so that they can improve their skills and proficiency whilst undertaking either situation.

LEARNING MODULES:

- Conduct Risk Assessments.
- Isolation of ignition sources.
- Resue protocols. Conduct D-R-S-A-B-C-D principles.
- Basic LVR/CPR methods.
- Recovery and stabilization of the Injured Person.
- Raising the alarm and call for help.

At the completion of this course the candidate will receive Elevated Work Platform Association (EWPA) authorised wallet sized "yellow card" that identifies the bearer has completed the nationally recognised unit of competency, inclusive of the Nationally Accredited course information, student name and course attended date.

(* Raines Resources will issue an SOA and card after full payment is received)

UETDRMP007 / HLTAID009

Combined LVR and CPR

(1 Day Course)

TRAINING DETAILS:

Course Times: Online with a practical face to face component is subject to change with the candidate having the ability to finalise their training at our premises. Theory online 1-2 hours per component, practical 1 hour per component.

Face to Face delivery at our offices will take 8-9 hours combined. Start time at our office is 07:00 to 17:00.

Age Requirements: All learners must be at least 16 years of age.

Literacy and Numeracy: Participants must have a basic level of English proficiency (written and verbal communication) and the knowledge of how to use a calculator.

Digital Literacy: Online learners will require access to a computer with an internet connection and the knowledge to access emails, login to the online training portal, upload documents when required and submit assessments. In some instances, in modern mining and construction settings you may be required to enter/log information into an electronic record keeping device. Or use computerised equipment to operate various types of machinery and processes

Delivery: Online with a Face-to-Face training and assessment in a workplace environment.

Payment Method: Cash, credit card, direct funds transfer with a bank receipt, or a company purchase order (refer to our finance policy for further details).

What to bring: 1 Photo ID and 1 Secondary ID, Current WorkSafe Licence Card (if any) (e.g. Driver's Licence, Passport (current or expired being no more than 2 years from the expiry date), WA proof of age card or other Australian Government issued ID card with photo) AND (e.g. Medicare Card, telephone, gas, or electricity account not more than 12 months old).

Clothing: Long sleeve shirt, long pants and safety boots.

Location: Online or at Unit 12/135 Riseley Street Booragoon WA
