## Conduct Backhoe Loader (1-Day Course)

The Backhoe Loader Operator Certification program provides information and guided practice that will equip both experienced operators and new operators with the skills necessary to demonstrate competence to the minimum national certification standards (NOHSC7019) and to lay the foundation skills of new operators so that they can, in a safe manner, continue to improve their skills and proficiency whilst operating the machine.

The course is aligned to the nationally recognised unit Conduct backhoe/loader operations which specifies the outcomes required including planning and preparation for work, the conduct of operational checks, the safe and effective operation of the machine for a range of mandatory tasks, the fitting, use and removal of attachments and operator maintenance activities.

### LEARNING MODULES:

- Planning and preparing for operations
- Pre- and post-operational checks
- Shut down procedures
- Basic operating techniques
- Use of attachments

At the successful completion of this course, Candidate will receive the Statement of Attainment and a wallet-size card\* inclusive of the Nationally Accredited course information, student name and course attended date.

(\* Raines Resources will issue an SOA and card after full payment is received)
