

RIIWH302E Implement Traffic Management Plans (Half-Day Course)

The Implement Traffic Management Plans certification program provides information and guided practice tasks that will enable both experienced and new traffic management personnel to have skills necessary to demonstrate competence to the minimum national certification standards that meet the RIIWH302E Unit of Competency and to lay the foundation for skills so they can improve their skills and proficiency.

Note: White Card CPCWHS1001 is prerequisite for this course

LEARNING MODULES:

- Conduct Risk Assessments.
- Identify Hazards and hazard controls.
- Work within a national unit of competency.
- Document writing including writing plans and applying for permits.
- Evaluation of permits in service.
- Validity processes.
- Record keeping.
- Close out procedures.

At the successful completion of this course, Candidate will receive the Statement of Attainment and a wallet-size card* inclusive of the Nationally Accredited course information, student name and course attended date.

(* Raines Resources will issue an SOA and card after full payment is received)
